Episode 32

A Scientist's Notes

I spent countless years
acquiring all there is to know.

My knowledge became
power, and it is now
protecting this world.

I brought smiles to
people's faces, and
they respect me.

Still...

People call me a philosopher,
but there are some things
I do not understand.

A-HYUCK! IS THIS
GUY A BIG SHOT
OR WHAT?

Ansem was
a scholar and
philosopher who
governed our world

Everyone
respected him,
and the world
was peaceful.

Everyone's heart,
no matter how pure
it may be...

...has darkness
sleeping inside.

A small amount of darkness
can sometimes swell with
surprising speed...

and I've seen many
people whose hearts
were consumed by
that darkness.

Darkness...

...of the heart

I'm not sure of
the details after
that...

...but he discovered
some Heartless
in the basement of
his castle.

Are these the end result of people
who have lost their hearts?

Or is this the realization of the
darkness that already existed
within them?

Or is the cause something
entirely different?

The only thing certain
is that they have no
feelings whatsoever

I must continue
my research.

It's fortunate that I
have numerous samples
to work with

They are created one
after another

We need to give
them a name.

People without
a heart...

Let's call them "Heartless."

If I study these Heartless
and am able to understand
their nature.

...I should be able to
discover their purpose and
the intent of their heart

To begin my study...

I developed a
machine for artificially
generating Heartless

If these heartless were born
naturally from people who lost
their heart.

HE SYNTHESIZED MORE
HEARTLESS.. ?!

then it should be possible to
synthesize Heartless around
the heart's principle

If I improve this machine,
it may be possible to create
Heartless from scratch

When I compared the machine-
made Heartless and natural-
born Heartless.

I determined that the
nature and performance of
the two are nearly the same.

But in order to draw more accurate test results...

...I will place a mark on the machine-made Heartless for identification.

SO MALEFICENT ABUSED THIS MACHINE!

SHE MUST'VE CREATED HEARTLESS AFTER HEARTLESS WITH THE MACHINE...

What's wrong?

THE SHIP LURCHED SUDDENLY

I THINK WE RAN INTO SOMETHING... A-HYUCK.

SOMETHING REALLY... BIG...

A PIRATE
SHIP!!

DONALD!
GOOFY!

ARE THEY THAT
IMPORTANT TO YOU?
MORE IMPORTANT
THAN OLD
FRIENDS?

WHERE DID
YOU TAKE
THEM?!

RIKU?!

INSTEAD OF
WORRYING ABOUT
THEM, YOU SHOULD
BE ASKING...

IT WAS
YOU?!

...ABOUT HER.

NO
SHENANIGANS
ABOARD MY
VESSEL, BOY.

RIKU...

WHAT--?

...WHY ARE YOU
SIDING WITH THE
HEARTLESS?

THE HEARTLESS OBEY
ME NOW, SORA.

NOW I HAVE
NOTHING TO
FEAR.

...HUUH?

WHAT'RE YOU
TALKING ABOUT?

YOU'RE
CRAZY!

SOONER OR
LATER, THEY'LL
SWALLOW
YOUR HEART!

NOT A CHANCE.
MY HEART'S TOO
STRONG.

RIKU!!!

JUST WATCH.

I'VE PICKED UP A
FEW OTHER NEW
TRICKS AS WELL.

LIKE THIS, FOR
INSTANCE.

WHAT'S SO SPECIAL
ABOUT THOSE
